## Words Used And Their Definitions - Continued

### **Envious**

Jealous

### **Eternal**

Timeless; existing outside of time

### **Example**

A model to follow; A demonstration of how something is to be done or why something should be avoided

### **Grace**

The force by which God extends to all persons so that they may choose to live under his leadership.

### **Life**

Existence on the physical or spiritual level

### **Mediator**

Jesus role in positioning our needs before God the Father; One who finds common ground among opposing groups for the purpose of resolution

### **Mercy**

God offers it to us through sending His only Begotten Son to pay for all our sins and making us part of His family and given inheritance through Him. Our sinful nature deserves to be eternally separated from God forever in Hell; God will only accept a blood sacrifice to cover sins and in the Old Testament only a perfect lamb was accepted. Then God sent His very own Lamb and now that is the only sacrifice required and accepted for the payment of sins.

### **Oath**

A vow
