Words Used And Their Definitions - Continued

Pardon

When we accept Christ as the the Only Way to God, surrender our lives to Him and ask Him to forgive our sins, all of our past, present and future sins are forgiven. They are thrown as far as east is from west and remembered no more. We are not held eternally accountable for them. God now sees us as sinless through Christ though we still sin and need to confess our failures. We will only be fully sinless after Christ changes us into our new form.

Prodigal

Wasteful and careless in regards to money

Promise

Binding declaration specifying that someone will do or not do something

Purgatory

The condition or process of purification or temporary punishment in which, it is believed, the souls of those who die in a state of grace are made ready for Heaven.

Recommit

To reassert one's dedication

Reveal

To show something that was unknown or unnoticed

Seven Lampstands

See Revelations 1:12, representing the seven local churches John addresses in Revelations 2-3.

Strength

Power or might
