## Words Used And Their Definitions - Continued

### **Grave**

Serious; A place where a body is laid to rest; Death; The place of the dead; Sometimes translated from the Hebrew word "Sheol", a place described in much of Ecclesiastes and may be translated as "Hell" in some versions of the Bible

### **Lamb**

A baby sheep, often used in sacrifices under the old covenant; A term used to refer to Jesus if capitalized

### **Manslayer**

A person who kills another person

### **Mercy**

God offers it to us through sending His only Begotten Son to pay for all our sins and making us part of His family and given inheritance through Him. Our sinful nature deserves to be eternally separated from God forever in Hell; God will only accept a blood sacrifice to cover sins and in the Old Testament only a perfect lamb was accepted. Then God sent His very own Lamb and now that is the only sacrifice required and accepted for the payment of sins.

### **Preacher**

A person who proclaims the gospel openly

### **Prodigal Son**

Main character in one of Jesus' parables who runs away from home with his inheritance, squanders it, and then returns to his father thinking he will become a slave. But instead he is welcomed back with open arms by his father who celebrates his return. See Luke 15:11-32
