### **High Priest**

All priests were descendants of Aaron when God created the priesthood and chosen by God to serve man in all things pertaining to God that he might offer both gifts and sacrifices for sins (see Hebrews 5:1) The High Priest was the only one who could go behind the curtain that separated the holy of Holies from the holy place in the temple. He could only do that one time per year and he had to follow strict guidelines while in there.

### **Just**

### **Legacy**

The life and events of a person that can be remembered and have impacted individuals leading up to today. In the case of Jesus, His birth, death and resurrection have had the most important effect on humanity's relation with God. The act of Jesus taking our sin upon Himself has paved the way for us to once again have a right relationship with God the Father.

### **Leprosy**

A deadly disease without cure and is characterized by crusty sores. It was greatly feared by most people in Bible times. Lepers were sent to leper colonies outside the city and if they came into town they had to wear bells so that they would know to avoid that person.
