Words Used And Their Definitions - Continued

Grave

Serious; A place where a body is laid to rest; Death; The place of the dead; Sometimes translated from the Hebrew word "Sheol", a place described in much of Ecclesiastes and may be translated as "Hell" in some versions of the Bible

Happy

Opposite of sad; Showing enjoyment or pleasure

Just

In Scripture this is a trait synonymous with honourable and fair

Manifest

To make something known or clear; For God to show Himself

Manslayer

A person who kills another person

Mercy

God offers it to us through sending His only Begotten Son to pay for all our sins and making us part of His family and given inheritance through Him. Our sinful nature deserves to be eternally separated from God forever in Hell; God will only accept a blood sacrifice to cover sins and in the Old Testament only a perfect lamb was accepted. Then God sent His very own Lamb and now that is the only sacrifice required and accepted for the payment of sins.

Moab

A kingdom near the Dead Sea

Ophir

A port known for its gold and wealth; Its location is disputed
