## **Words Used And Their Definitions - Continued**

### **Heart**

Capacity for sympathy, feeling, affection; Organ of the body responsible for pumping blood

### **Listen**

To hear something; To pay attention to what someone says

### **Mercy**

God offers it to us through sending His only Begotten Son to pay for all our sins and making us part of His family and given inheritance through Him. Our sinful nature deserves to be eternally separated from God forever in Hell; God will only accept a blood sacrifice to cover sins and in the Old Testament only a perfect lamb was accepted. Then God sent His very own Lamb and now that is the only sacrifice required and accepted for the payment of sins.

### **Offer**

To give something that can be accepted or rejected

### **Pastorate**

A pastor's position in a church

### **Prodigal Son**

Main character in one of Jesus' parables who runs away from home with his inheritance, squanders it, and then returns to his father thinking he will become a slave. But instead he is welcomed back with open arms by his father who celebrates his return. See Luke 15:11-32

### **Robe**

A long piece of clothing that covers most of the body; worn mostly by the wealthy and those in desert climates to keep cool in the heat
