## Words Used And Their Definitions - Continued

### **God**

His name in Hebrew is YHVH, often pronounced as Yahweh or Jehovah; Only deity worshiped by the Israelites; Main person of the Godhead in the Trinity

### **Healed**

Recovered from some sort of damage or injury

### **Heart**

Capacity for sympathy, feeling, affection; Organ of the body responsible for pumping blood

### **Impact**

### **Instruction**

### **Lament**

### **Malice**

### **Mercy**

God offers it to us through sending His only Begotten Son to pay for all our sins and making us part of His family and given inheritance through Him. Our sinful nature deserves to be eternally separated from God forever in Hell; God will only accept a blood sacrifice to cover sins and in the Old Testament only a perfect lamb was accepted. Then God sent His very own Lamb and now that is the only sacrifice required and accepted for the payment of sins.
