Bible Word Search - Edition #3613

Words Used And Their Definitions

Avoid

To try to stay away from

Canaan

The land promised to the Israelites after leaving Egypt

Census

A count of all people living within a certain region or nation; A census in the months prior to Jesus birth brought Joseph and Mary to Bethlehem (See Luke 2:1-7)

Chasten

To punish in order to show correction and improvement in lifestyle or behavior. God sometimes disciplines us not by physical means, but by the taking away of spiritual blessings and withholding of new blessings by the work of the Holy Spirit.

Compassion

Showing pity; To have sympathy; Showing kindness beyond what is deserved or expected from others around you, often regardless of negative consequences

Herod

The name of three different kings who came to power one after another; Herod the Great, who ordered the massacre recorded only in Matthew (See Matthew 2:13-18); Herod Antipas, the man Pontius Pilate sent Jesus to (See Luke 22:66-71); Herod Agrippa, who almost converted to Christianity after talking to Paul of Tarsus (See Acts 25-26)

Humble

An act of appropriately acknowledging one's true state; usually refers to the act of "lowering" oneself relative to others.

Words Used And Their Definitions - Continued

Jerusalem

A holy city in Israel

Justification

Act of making something right according to the law

Marriage

A covenant made between a man and woman that lasts until the death of either person involved

Merry

Happy

Pardon

When we accept Christ as the the Only Way to God, surrender our lives to Him and ask Him to forgive our sins, all of our past, present and future sins are forgiven. They are thrown as far as east is from west and remembered no more. We are not held eternally accountable for them. God now sees us as sinless through Christ though we still sin and need to confess our failures. We will only be fully sinless after Christ changes us into our new form.

Resist

To fight back against something or someone

Responsibility

The act of being accountable for an action or decision.

Serpent

A snake, often a venomous type; A reference to Satan (See Genesis 3)
