Words Used And Their Definitions - Continued

Kinsman Redeemer

A Hebrew term where a relative could "redeem" another blood relative, usually a widow without any sons.

Mercy

God offers it to us through sending His only Begotten Son to pay for all our sins and making us part of His family and given inheritance through Him. Our sinful nature deserves to be eternally separated from God forever in Hell; God will only accept a blood sacrifice to cover sins and in the Old Testament only a perfect lamb was accepted. Then God sent His very own Lamb and now that is the only sacrifice required and accepted for the payment of sins.

Multitude

A large amount of something

Overseer

A supervisor; A person who watches over something in a governing role

Pardon

When we accept Christ as the the Only Way to God, surrender our lives to Him and ask Him to forgive our sins, all of our past, present and future sins are forgiven. They are thrown as far as east is from west and remembered no more. We are not held eternally accountable for them. God now sees us as sinless through Christ though we still sin and need to confess our failures. We will only be fully sinless after Christ changes us into our new form.

Principles

Rules by which something works or operates
