## Words Used And Their Definitions - Continued

### **Mercy**

God offers it to us through sending His only Begotten Son to pay for all our sins and making us part of His family and given inheritance through Him. Our sinful nature deserves to be eternally separated from God forever in Hell; God will only accept a blood sacrifice to cover sins and in the Old Testament only a perfect lamb was accepted. Then God sent His very own Lamb and now that is the only sacrifice required and accepted for the payment of sins.
