Words Used And Their Definitions - Continued

Gratify

To please

Mercy

God offers it to us through sending His only Begotten Son to pay for all our sins and making us part of His family and given inheritance through Him. Our sinful nature deserves to be eternally separated from God forever in Hell; God will only accept a blood sacrifice to cover sins and in the Old Testament only a perfect lamb was accepted. Then God sent His very own Lamb and now that is the only sacrifice required and accepted for the payment of sins.

Offer

To give something that can be accepted or rejected

Restoration

The act of renewing the condition of something or someone to a previous state

Salvation

Rescue; Act of saving or preserving from destruction or great calamity. The saving of mankind from sins and giving of eternal life with God.

Staggered

Moved in an unsteady manner such as wavering or rocking

Taxes

Money that is to be gathered from people by law to fund a government

Tree of Life

Tree in the Garden of Eden that produced fruit that kept a person from dying if consumed; it was guarded so Adam and Eve couldn't get to it after they were banished from the Garden
