Jasper

Leprosy

A deadly disease without cure and is characterized by crusty sores. It was greatly feared by most people in Bible times. Lepers were sent to leper colonies outside the city and if they came into town they had to wear bells so that they would know to avoid that person.

Pardon

When we accept Christ as the the Only Way to God, surrender our lives to Him and ask Him to forgive our sins, all of our past, present and future sins are forgiven. They are thrown as far as east is from west and remembered no more. We are not held eternally accountable for them. God now sees us as sinless through Christ though we still sin and need to confess our failures. We will only be fully sinless after Christ changes us into our new form.
