Words Used And Their Definitions - Continued

High Priest

All priests were descendants of Aaron when God created the priesthood and chosen by God to serve man in all things pertaining to God that he might offer both gifts and sacrifices for sins (see Hebrews 5:1) The High Priest was the only one who could go behind the curtain that separated the holy of Holies from the holy place in the temple. He could only do that one time per year and he had to follow strict guidelines while in there.

Isolate

To separate someone or something from everyone or everything else

Jericho

A city that Joshua led the Israelites to conquer while on their way to the Promised Land by marching around it and shouting to bring down the walls; its walls were thick enough to hold chariot races on top of and for people to live inside

Potential

Possible power or influence that has not yet been demonstrated

Remember

To recall; To think about past events one has experienced

Seven Bowls

See Revelations 16, representing seven judgments of God's wrath on earth.

Shame

An emotional reaction to guilt

Strife

Fighting or conflict, sometimes violent
