## **Words Used And Their Definitions - Continued**

### **God**

His name in Hebrew is YHVH, often pronounced as Yahweh or Jehovah; Only deity worshiped by the Israelites; Main person of the Godhead in the Trinity

### **Grace**

The force by which God extends to all persons so that they may choose to live under his leadership.

### **Legacy**

The life and events of a person that can be remembered and have impacted individuals leading up to today. In the case of Jesus, His birth, death and resurrection have had the most important effect on humanity's relation with God. The act of Jesus taking our sin upon Himself has paved the way for us to once again have a right relationship with God the Father.

### **Mercy**

God offers it to us through sending His only Begotten Son to pay for all our sins and making us part of His family and given inheritance through Him. Our sinful nature deserves to be eternally separated from God forever in Hell; God will only accept a blood sacrifice to cover sins and in the Old Testament only a perfect lamb was accepted. Then God sent His very own Lamb and now that is the only sacrifice required and accepted for the payment of sins.

### **Mortal**

The state in which one can cease to exist in its current form; able to be fatally wounded.
