alphabet and Jewish tradition long since then has not allowed the name to be pronounced. The Hebrew letters transliterate to YHVH (sometimes the V is said to be W). This name comes from a verb with the root letters h-v-h. This verb is the same in meaning as the verb with the root letters of h-y-h, meaning to be or to exist. By declaring this as His name, He is declaring His sovereignty. The Hebrew ehyeh asher ehyeh means I will be whatever I will be. "Ehyeh" is the first person form of h-v-h in the future tense in English (I will be). Since Hebrew names are Hebrew words, it is likely the real name of God is Yihveh, the third person future tense of h-v-h.
