## Words Used And Their Definitions - Continued

### **Harem**

Group of women who belong to a king; Usually concubines

### **Heaven**

Presence of God; God's throne; City of God - gold is so common that the streets are paved with it. It has 12 gates named for the twelve tribes of Israel, wall has 12 foundations with the names of the 12 apostles; the height, width, and length of the city are equal. There is no temple for the Lord God Almighty and the Lamb are the temple; there is no need for light as God's glory provides all the light that is needed. See Revelation 21-22

### **Knowledge**

### **Lake Of Fire**

### **Mercy**

God offers it to us through sending His only Begotten Son to pay for all our sins and making us part of His family and given inheritance through Him. Our sinful nature deserves to be eternally separated from God forever in Hell; God will only accept a blood sacrifice to cover sins and in the Old Testament only a perfect lamb was accepted. Then God sent His very own Lamb and now that is the only sacrifice required and accepted for the payment of sins.

### **Preacher**

A person who proclaims the gospel openly

### **Season**
