Words Used And Their Definitions

Beacon

A signal used for guidance, such as a lighthouse

Chastisement

Punishment with the intention to correct

Deposed

To remove from office; Dethrone

Embroidered

Sewn into fabric

Family

A social unit consisting of one or more adults together with the children they care for.

Giving Thanks

Showing gratefulness

Liar

One who deliberately says something that they know to be false with the intention to deceive (See John 8:44)

Mercy

God offers it to us through sending His only Begotten Son to pay for all our sins and making us part of His family and given inheritance through Him. Our sinful nature deserves to be eternally separated from God forever in Hell; God will only accept a blood sacrifice to cover sins and in the Old Testament only a perfect lamb was accepted. Then God sent His very own Lamb and now that is the only sacrifice required and accepted for the payment of sins.
